Mindmap Templates

Why are mind maps so helpful in Language Teaching?

BECAUSE...
The brain thinks in colors and pictures.

BECAUSE...
It develops creativity.

BECAUSE...
It organizes thinking.
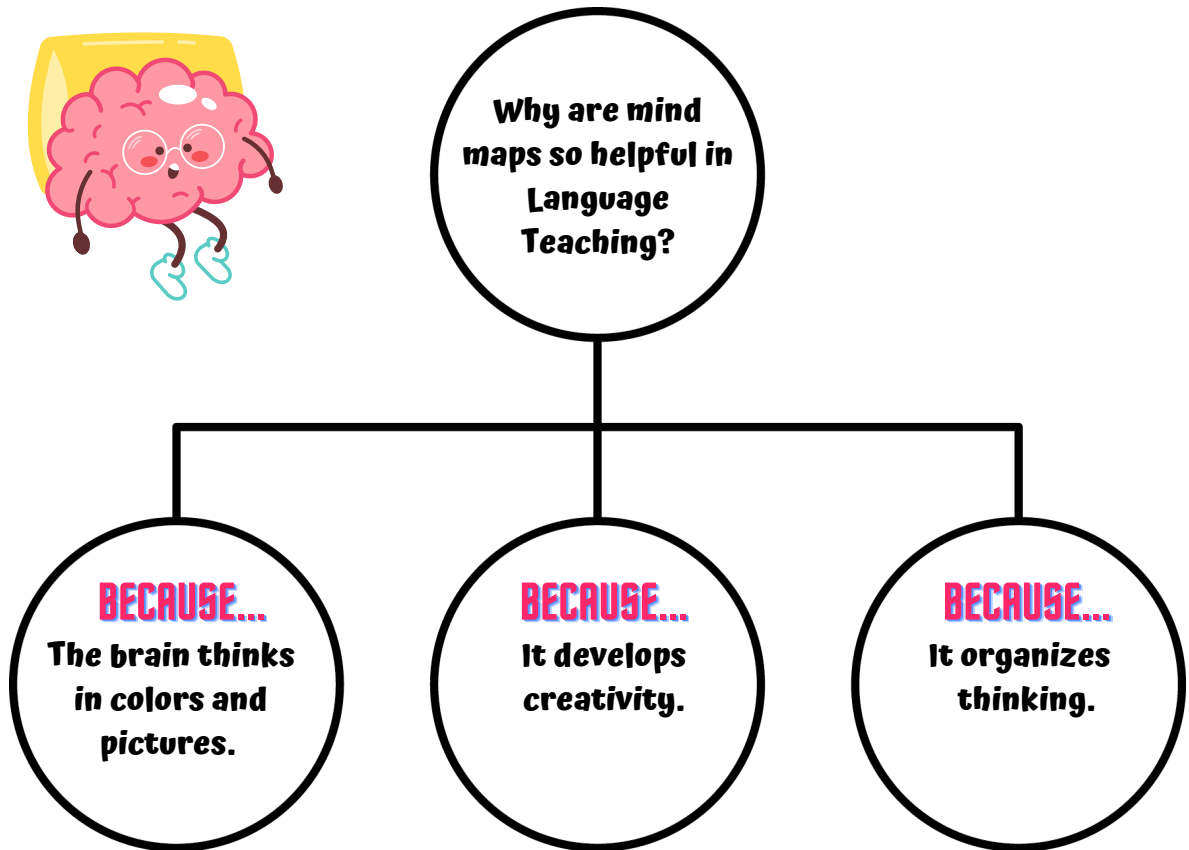

Mindmaps help students to:
- Brainstorm a concept and come out with awesome ideas!
- Go from a general idea to a more specific one
- Save time
- Revise before an exam
- Have fun

OK, time to try them!! Check out these templates and have fun with your learners!
