About this Resource

Do you need an engaging way to introduce learners to a new unit? Would you like to captivate their attention with authentic learning experiences? If the answer is YES, then look no further!

Let's take advantage of technology and travel virtually with our students to fantastic places around the world without leaving the classroom!

How can you use this material?

- **To introduce a unit of study**
- **To revise and consolidate content related to places around the world**

Who is this for?

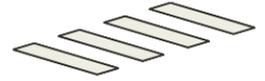

- **Middle School Students**
- **ESL / EFL learners**

What's included?

- A list of top places and historical sites with virtual field trips.**
- Worksheets and task ideas for every school trip.**
- Worksheet to record important and interesting**
