

COMPARE AND CONTRAST PICTURES

*Is there a difference between a
'need' and a 'want'?*

Thanks for your purchase!

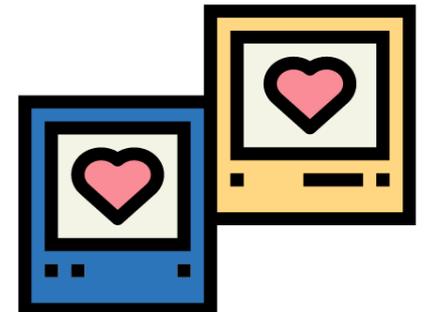

Comparing pictures was created to provide students with useful language and practice for speaking. The main goals are to help learners speak at length coherently, use a wide range of vocabulary, compare and contrast and comment upon a topic.

This product can also be an amazing resource for students who are preparing for international exams.

With your purchase you get:

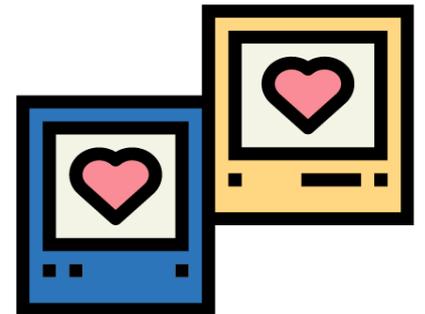

- Tips for comparing and describing pictures.
- Useful Language.
- 29 picture cards.
- Rubrics for assessment.
- Sources and resources.

Have fun teaching!

How to compare and contrast pictures

- 1. Talk about similarities.***
- 2. Talk about differences.***
- 3. Answer the question and give your opinion.***

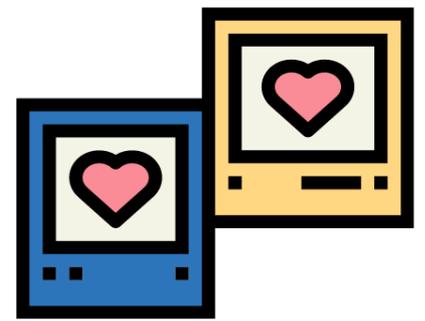

Start comparing

In both photos,...

Both of these pictures show...

Both photos show,....

These two pictures show...

Talking about similarities

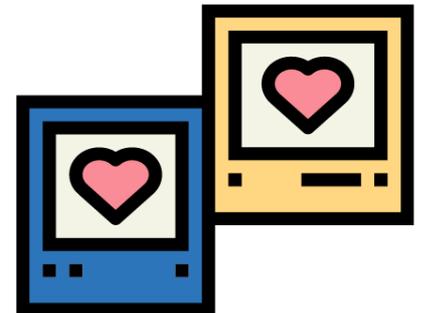

These two pictures are similar because...

In both pictures, I can see...

One similarity between the two pictures is that..

One thing that these two pictures have in

common is that...

Talking about differences

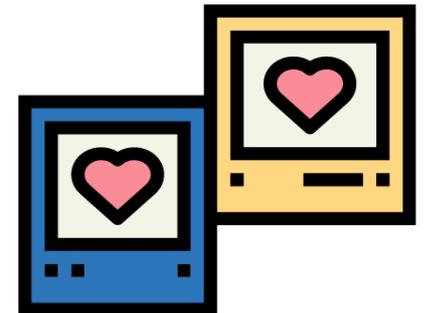

One of the most obvious differences is that...

Another difference is that...

In this photo, However, in the other photo....

The first picture... but/whereas the second one...

This one looks more than that.

Giving an opinion

In my opinion...

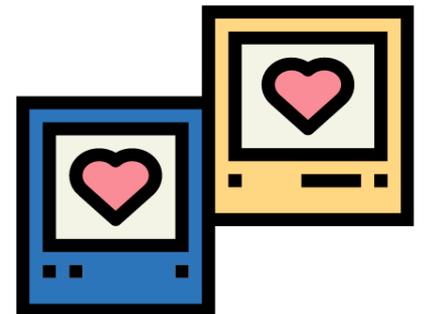

I'd say that...

I think...

It seems to me...

My view is that...

I'm pretty sure that
